PROFILE

Photographer and photo editor with Panaghiusa Festival editing experience from 2018 to 2024 and a background in portrait, wedding, and event photography. I work with Lightroom and basic Photoshop, paying attention to color, framing, and the details that make a photograph feel natural. Seeking remote photo-editing work with evening or flexible hours.

TOOLS & SKILLS

Adobe Lightroom: exposure, white balance, color adjustments, cropping and straightening.
Adobe Photoshop: basic editing and touch-ups.
Portrait, wedding and event photography; attention to detail and image consistency.
